

ALL DISTRICTS OVER THE TOP

Lincoln County More than Doubled Its Quota.--Caliente Still Holds Lead in the County.

The Third Liberty Loan is practically over so far as Lincoln county is concerned. Our quota was \$19,000. Up to yesterday noon, the sales amounted to \$45,300 as follows:

Caliente district, \$17,050.
Pioche district, \$13,750.
Panaca district, \$5,400.
Pahranagat district, \$5,500.
Eagle Valley district, \$3,600.
The \$200,000 pledge no v v vv

The \$20,000 pledge from one man in Pahranagat Valley failed to materialize and the committee has deducted this from its total. Had this went through, Lincoln county would have \$65,000 to its credit. However, Pahranagat went above its quota without this \$20,000.

LIVE CALIENTE NEWS ITEMS

CALIENTE, April 25.—The Red Cross acknowledges with thanks the two dollars donated by Mrs. O. R. Nation, wife of the editor of the Record.

On Monday the chapter made the regular monthly shipment of three large boxes containing something over three hundred articles including 48 pairs of knitted socks, 24 sweaters, hospital supplies and garments and refugee garments.

Another shipment of clothes will be made within a few days.

The Junior Red Cross of Caliente shipped 37 refugee garments with the regular chapter shipment.

The pledges were received from Mrs. George Saxton, principal of the Alamo school, for the Junior Red Cross which she has organized.

Dr. J. E. Armistead motored from Pioche on Wednesday. He left on a night train for Los Angeles.

E. E. Kahn spent several hours in Caliente on his way to his new home in Los Angeles.

Gus Bladd is the new secretary of the Red cross in place of Miss Im Obersteg, who resigned while Mr. McKibbin was a guest here, as she leaves Caliente soon.

Judge C. P. Breeze of Las Vegas passed through Caliente Sunday on his way to Pioche where mining interests claim his attention. While here his friends were glad to renew their friendship and talk over "old times."

W. A. Denton spent Saturday and Sunday in Caliente with his family.

Mrs. Jennie Wilcox accompanied Charles Culverwell to Caliente on Sunday.

Hugh Love spent several days in Caliente. While here he motored to Panaca with Frank Ryan and Fletcher De Ford.

Mrs. Lucile Ryan motored to Panaca Saturday evening to attend the dance. She was accompanied by Miss Ella Denton, Otto Olson and Jack Coombs.

John Conaway was a visitor in town Sunday.

Pete Delmoe spent Sunday and Monday in Caliente.

Mrs. Ed Dula was a visitor in town during the week.

Robert Sands left for Los Angeles early in the week to join his wife who is visiting relatives and friends there.

Miss Ruth Spotts was the guest of Miss Carmen Amantl at Big Springs over the week end.

Mrs. N. S. Russell was called to Los Angeles to the bedside of her husband who has been quite ill for some time.

Mrs. Mitchell motored to Panaca Sunday.

The V. D. Literary Society met on Monday night at the home of Mrs. Himstreet. After the following program cards were enjoyed until a late hour when refreshments were served by Mrs. Himstreet. Chorus by the members, "Touch Not the Cup"; essay, "The Teacher and Steady Company"; Miss Schmaling; reading, "The Things I Might Have Done"; Miss Im Obersteg; song, "Where Do We Go From Here"; School trio; essay, "The Educational Value of Pool"; Jack Coombs; song, "Good-bye, Sweet Jobs, Goodbye"; written, composed and sung by the three teachers.

SIX POUNDS EACH

On page three of this issue of the Record will be found the new food regulations. At the request of County Food Administrator J. R. Smith these are printed.

Administrator Smith says the laws are to be enforced in Lincoln county. He has appointed a committee of three to handle the matter in Pioche and the north part of the county. This committee is composed of H. I. Olinghouse, M. L. Lee and O. R. Nation.

Read the rules on page three. It will not be hard to comply with these laws. Heavy penalties are provided for violations.

\$20000 IN CATTLE

Delmoe Brothers, livestock buyers, bought over 300 head of cattle in these parts Saturday and are shipping. James Ryan of Caliente sold them 120 head, the remainder being bought from a number of Eagle Valley ranchers. The price paid was about \$70 a head, making the total money transaction around \$20,000.

SURE A DISGRACE

Main street, Pioche, Nevada, is a county disgrace. The town not being incorporated, it is hard to place the responsibility entirely. If there is a town anywhere in the United States that has a worse main street we would like to know where it is.

The Record has asked a number of business men if they would close up their places of business for one day and work on Main street.

All say yes.

The commissioners will meet May 5 and the Record hopes that they will take some action that will result in a better main street for the county seat.

At least 20 men will agree to put in a day each. This means 20 days labor donated to the county.

Names Omitted.

In the names of Lincoln county boys gone to war printed last week, the following were unintentionally omitted.

James Price.
Howard Keele.
Chester Cook.
Garfield Stovell.

Black Metals Mine.

The Black Metals Manganese mine is spending a lot of money for development. It is also producing nicely. The product is high grade and is bringing in good returns. E. H. Snyder, the general manager of this property, is of the opinion that it would be well for all manganese miners to get out all the ore possible. There is a good high priced market for more manganese than is being produced.

Miss Nellie Shier of Caliente visited friends here Monday.

Odd Fellows Dance.

Next year the Independent Order of Odd Fellows will celebrate its 100th anniversary. As a prelude to the big doings next year, Odd Fellow Lodges throughout the United States are today (Friday) giving entertainments, dances, etc., for the benefit of the Red Cross. Pioche Odd Fellows have their dance at Thompson's opera house tonight after the show.

The entire receipts will be donated to the Red Cross.

Getting Ready for Fair.

Caliente people held a meeting Monday night and talked over County Fair matters. The fair will be held some time in September and will be bigger and better this year than ever before. A finance committee has already been appointed.

R. R. Orr was in Caliente Tuesday.

SOLDIERS GET LEGAL ADVICE

Acting upon orders from the Council of National defense, H. E. Freudenthal, director of the Lincoln county council has appointed a legal committee which will take care of matters pertaining to the welfare of soldiers from this county.

This committee will explain the selective service law to drafted men. It will give free legal advice as to benefits of war risk insurance, draft wills, attend to caring of property

and business affairs of drafted men, etc.

Full particulars as to the many things this committee will do for the soldier may be obtained by applying to the chairman or any member.

The committee is composed of the following:

A. L. Scott, Pioche; William E. Orr, Pioche; Frank E. Wadsworth, Panaca; Sarah Im Obersteg, Caliente; M. L. Lee, Pioche; Charles A. Thompson, Pioche. Mr. Scott is chairman of the committee.

EXTRA NOTICE.

This is an additional notice to the effect that all subscriptions not paid in advance will be discontinued with this issue. The postal laws are very strict regarding this matter and from this date on they will be complied with to the letter. Besides, the Record has adopted the "pay in advance" policy and it will be adhered to. Unless remittances are received by next Wednesday about 100 names will be stricken from the list.

Dollar Silver.

The Pittman dollar silver bill has passed Congress and is ready for the President's signature. This will be good news to the Nevada mining interests.

ORE SHIPMENTS.

This has been the best week for ore shipments for two months. Indications are that the shipments will increase right along.

Shipments from Pioche for the past week were:

Prince Consolidated, 42 cars.
Black Metals (Manganese), 1 car.
Combined Metals, 2 cars.
Uvada Copper, 2 cars.

METAL MARKET

Lead, 7c.
Silver, 99 3/4c.
Copper (cathodes), 23.425c.
Zinc (St. Louis), 7c.

PAHRANAGAT-ALAMO NEWS

ALAMO, April 25.—Mrs. Lois Stewart and daughter Theresa have returned from Panaca. While there they were the guests of Mr. and Mrs. Carl Stewart.

Mrs. L. A. Brown who has been spending a few weeks with Mrs. Parley Henry of Kiernan, has returned to her home in Alamo.

Mrs. Agnes Horn and son of Delamar spent Sunday in Richardville as guests of Mrs. John Wedge.

The members of the Third Liberty Loan Committee are pushing the sale of Liberty Bonds in this section and are obtaining very gratifying results.

The Richardville school recently organized into a Junior Auxiliary of the A. R. C. and the children are entering heartily into the work. A cap is being raffled off at present to secure funds for material to make garments for the refugee children.

The M. I. A. is planning to put on a play Saturday April 27th for the benefit of the Red Cross. In connection with the play a short program will be rendered.

Mrs. Bert Riggs who has been in Goldfield since the death of her daughter, Mrs. Bruce, last fall, is here for a short stay with her family. The two youngest children of the Bruce family are with her.

The Richardville Red Cross Chapter held an all day reunion Wednesday, April 17. The day was spent in making refugee garments. The chapter is also making a quilt which is to be raffled in the near future to raise funds for the Red Cross work.

Friends of Garfield Stowell tendered him a farewell party. Mr. Stowell left April 15 to report for service at American Lake, Washington.

Will Stewart expects to leave on the 23 to spend some time on the range.

John Wedge, Lawrence Sharp and Merle Schofield have been out on the range for the past week. They expect to get through their work there in another week.

Road Supervisor Joe Ronnow has been doing effective work on the county roads in this section. The road through Pahranagat Valley has been completed to the county line.

Mr. Adams, bartender for Hans Olson of Caliente, is spending a few days in the valley recuperating.

The Hiko school closes in a few days. A big picnic at Ash springs is planned for the final event.

The schools of Pahranagat Valley enjoyed a visit from Deputy Superintendent Anderson a few days ago.

PAHRANAGAT, April 25.—Benjamin Butler, driving a Maxwell and Irving Riggs, driving a Ford collided on a bad turn last week near the Henry Sharp ranch. The Ford was thrown into the fence, overturning as it went. Riggs was hurled clear of the car and escaped injury. Butler was driving slowly and his car was not damaged to any great extent.

The Record's correspondent is of the opinion that this bad turn should be fixed before someone is badly injured.

William Thorne and George Saxton have gone to Meadow Valley Wash on a surveying trip.

William Stewart, chairman of the Pahranagat defense committee, reports over \$5000 worth of bonds sold. Our quota was \$3700.

Mrs. Horn of Delamar is the guest of Mrs. John W. Wedge.

The farmers of the valley are getting ready to plant in spite of the fact that Jack Frost reminds them frequently that he is still lurking about.

PANACA WON IT

Last week the Record told its readers that the newly organized base ball team would wipe the everlasting conceit out of the Panaca bunch.

Like all good newspapers the Record sometimes makes a mistake.

As much as we hate to, fairness compels us to chronicle the fact that the Bees from Panaca came up Sunday and stung our Miners to the tune of nine to five.

The locals had things their own way till the sixth inning when dear old Nielson blew up. The bees stung us six times in this inning.

Errors were plentiful on both sides. Practice and team work will help both teams.

The next game will be played Sunday at Panaca.

Marriage Licenses.

County Clerk W. A. Denton reports a marriage license issued to Paul Edward Stewart and Miss Ethel Higbee, both of Alamo. It is presumed that the wedding will take place Sunday.

Clark Huff will go to Fillmore, Utah, May 6 and will return in his car with Mrs. Huff. They will make their home on the ranch.

Mrs. Frank Gibeaut, son Master Alanson and daughter Dora, are the guests of Mrs. Gibeaut's sister, Mrs. Dr. Stockham.

New U. S. Marshal.

Joseph McEachin, of Reno, has been appointed United States Marshal for Nevada by President Wilson.

Luce a Candidate.

Hon. Ben D. Luce writes the Record that he is a candidate for the Democratic gubernatorial nomination. His formal announcement will appear in an early issue.

Needles Gone Dry.

After having been open since the city was founded, the Needles, (California) saloons will close December 31. Five saloons and four wholesale liquor houses will go out of business. The vote was 425 to 346.

Pays to Advertise.

The old Pioche cafe building on Main street is once more occupied. Mike Hannah has moved his tailor shop into it. This property belongs to Henry Ellers of Los Angeles. The renting of it to Mr. Hannah was brought about through a little ad in the Record.

County Auditor Jennie Wilcox was in Caliente Sunday.

Work on Hospital.

Dr. W. Stockham has been spending a lot of time and money fixing up the hospital building which he recently purchased. The interior of the building has been remodeled and the exterior is to receive considerable attention. Dee Stockham is doing the carpenter work.

Trip to the North.

The Record editor made a trip out to the "dry farm" and on to Steve White's ranch Saturday. At the former place Frank Gibeaut and the Huff brothers are doing a lot of work. The pipe line from the springs to the house, a distance of two miles, furnishes great quantities of water for all purposes.

Mr. Gibeaut carries the mail from Pioche to that section of the county once a week in addition to his many other duties.

The Huff brothers are building a home on the ranch half a mile off the road.

From the "dry farm" we Forded on up to White's ranch. Lots of water up here and everything nice and green. We stopped at the Garrison place for water.

The road from Pioche to this section is good but two or three washes need filling in. Also, just the other side of Craw Creek coming this way, is one of the most dangerous turns we've been introduced to. The driver who is familiar with the road can negotiate it alright but it is a mighty nasty turn for a stranger. A danger sign should be placed here at once before someone is killed.

Proved Up.

James T. Dobbins of Joseco was here Wednesday proving up on his claim. He was accompanied by E. O. Hamblin, William Mathews, Guy Hamblin and James M. Adair, all of Joseco.
